Subject: REACH, Letter of Confirmation

To whom it may concern,

Luvata is aware of its obligations regarding the REACH Regulations and can assure it's customers, suppliers, and other stakeholders, that it meets obligations to register substances as appropriate for the full Luvata range of products.

Luvata ensures that its suppliers have registered copper and other substances as required by the REACH regulations. Luvata Pori Oy directly import some raw materials, these materials have been registered in accordance with REACH.

Luvata's products do not contain any substances currently classified of very high concern (SVHC's) by ECHA. Luvata will continue to monitor for changes to the published ECHA SVHC list in the future and will take apposite action.

Yours faithfully

Luvata Pori Oy
